The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Launching an Academic and Applied Discipline in Violence Prevention and Public Safety in fiscal year 2025. The entity to receive funding for this project is John Jay College of Criminal Justice, located at 524 West 59th Street, New York, NY 10019. This project creates a training and workforce development educational initiative in evidence-based public safety. The aim is to support law enforcement and criminal justice personnel in their professional development and improve violence prevention and public safety. This funding is for one year. All costs for the ongoing academic program will be covered through tax levy, NNSC contracts, and tuition.

The project is an appropriate use of taxpayer funds public safety, including issues of homicide and gun violence, is a national problem. This project will increase the number of public safety practitioners who can apply evidence-based approaches, which regularly produce violence reductions in cities of 50% or more: and since every homicide costs local jurisdictions around \$9,000,000, substantial public cost savings. The proposed new academic discipline will be designed with specific attention to DCJS and its partners and will directly influence practice across the State.

The project has a federal nexus because the funding provided is for purposes authorized by 34 U.S.C. § 10152.

I certify that I have no financial interest in this project, nor does anyone in my immediate family.

Sincerely,
