Dear Friends,

With Congress back in session and a number of critical issues yet to be resolved, we must make sure that we focus our efforts on the most pressing problems. From ensuring middle class tax cuts and protecting Medicare, to preventing indiscriminate, across-the-board budget cuts, Congress has a lot of work to do in just a few short weeks.

That's why I'd like you to weigh in.

Let me know which issue you believe is the most important to resolve before the end of the year by taking this brief survey. I will share the results with my colleagues and also post them on [my Facebook page](#).

What is the most important issue for Congress to resolve before the end of the year?

- ☐ Fully assist recovery efforts from Hurricane Sandy
- ☐ Extend tax cuts for the middle class
- ☐ Avoid 'sequestration' and its indiscriminate cuts to domestic and military programs
- ☐ Protect Medicare, Medicaid, and Social Security
- ☐ Lower the short-term national deficit
- ☐ Other (please elaborate)
