RE: Member Certification for High Line Connections Project – Hudson River Park/Javits Center Connection

Dear Chair DeFazio and Ranking Member Graves:

I am requesting \$5,000,000 in funding for High Line Connections Project – Hudson River Park/Javits Center Connection in the forthcoming surface transportation reauthorization. The project sponsor is the New York State Empire State Development. The project is located at 34th Street and 12th Avenue, New York, New York. The Zip Code is 10011.

The federal funding designated for this project would: fund the design and planning of the project.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: promote pedestrian safety and a more environmentally friendly, auto-free commuter area. The project will also link local communities to each other and the commercial, public, and residential resources of the High Line neighborhoods and the greater West Side.

Pursuant to Clause 17 of House Rule XXIII and in accordance with the Committee's guidance, I certify that neither I nor my immediate family has any financial interest in this project. Thank you for your leadership and consideration.

Sincerely,

A handwritten signature in cursive script that reads "Jerrold Nadler".
